

مؤتمر علوم الحاسوب وتقانة المعلومات الدولي الخامس
The 5th International Conference on
Computer Science & Information Technology

17-19 November 2017 | West Kurdufan University, El-Nuhud, Sudan

ICCSIT 2017, organised by the National Council of Higher Education with the conjunction of the Ministry of Higher Education and Scientific Research, solicits research papers describing *high-quality research contributions* to the field of Computer Science and Information Technology. We invite submissions on a wide range of research topics, which include:

- AI & Expert Systems
- Algorithms & Applications
- Natural Lang. Processing
- Bioinformatics
- Computer Architecture
- Computer Ethics
- Computer Graphics
- Computer Networks
- Computer Simulation
- Database Systems
- Decision Support Systems
- Digital Telecommunications
- E-Commerce
- E-Learning
- Geographic Information Systems
- Human Computer Interaction
- Information Security
- Information Systems
- Web Semantics
- IT & Society
- Machine Learning
- Multimedia & Image Processing
- Neural Networks
- Parallel & Distributed Systems
- Pattern Recognition
- Reliability & Fault-Tolerance
- Remote Sensing
- Software Engineering
- Virtual Reality Systems
- Pervasive & Adaptive Systems

Accepted and presented papers will be published in the ICCSIT 2017 Conference Proceedings and submitted to the IEEE for inclusion in IEEEXplore. Full details of submission procedures and requirements for authors are available at <http://www.iccsit.sd>.

A CASH PRIZE along with a SIGNED CERTIFICATE will be awarded for an outstanding research paper (per theme) and for a distinguished poster presentation.

Important Dates

Paper Submission Due
Saturday, 22 July 2017

Acceptance Notification
Thursday, 31 August 2017

Camera-Ready Paper
Tuesday, 10 October 2017

Organising Chair

Dr. Abdulhamid Mansour
University of Khartoum

Scientific Chair

Dr. Hisham Abushama
University of Khartoum

Technical Programme Chair

Prof. Sharief F Babikir
University of Khartoum
